

Newsletter / Kawerongo 2 * 27 February 2024

Each fortnight at our Monday goal setting hui we introduce our tamariki to a new Kiwaha (phrases to drop into conversation). You can have-a-go at home! This fortnight it's:

Karawhiua - Give it all you've got!

Kia ora Bayswater whānau

Next Tuesday we will be welcoming the MAC Principals from around the North Shore. Bayswater School has been a member of MAC for some years as it supports us in ensuring success for all.

The Māori Achievement Collaborative (MAC) is a non-profit organisation, a professional learning and development pathway by principals for principals focused on changing education outcomes for Māori students. In all: "Leaders helping leaders to become better leaders!" It is visionary and transformational and aims to build the capability of schools to inquire into, recognise and delete barriers impeding improved educational and cultural outcomes for Māori in partnership with students, whānau, hapū and iwi.

Looking for a Rēwena bread expert!

To conclude the powhiri on Tuesday we would like to serve a hot drink and some Rēwena bread. Can you help by making the bread, we will provide the ingredients? We would need about 40 small pieces.

I look forward to seeing many parents / caregivers joining us tomorrow for the Information workshops.

Parent / caregiver Information Workshop

**One hour a day reading, writing and maths!
What does that look like at Bayswater School?**

There will be two sessions so you can attend both if you have children in two areas of the school.

4.30pm and repeated again at 5.30pm.

Whānau Puna (Years 1-3) in Room One

Whānau Kokoru (Years 4-6) in Room Three

It was great to see whānau at the picnic last Friday. It was the perfect evening for a picnic and playing with friends.

COACHING PROGRAMME

Dear Parents,

Playing chess in school helps students achieve many learning outcomes faster and more effectively. Put simply, chess makes kids smarter. Chess enables all students to shine and develop intellectually in a way they really enjoy. Playing chess develops self-confidence, concentration and problem-solving skills.

Put simply, chess makes kids smarter.

We are pleased to continue the Chess Coaching Programme at our school and look forward to bringing the excitement, competition and educational benefits of chess to your children.

Chess Power has been educating Chess in many schools in Auckland and across New Zealand. Our coaches are all professionally trained and accredited and our support systems are world class.

WHAT HAPPENS IN A CHESS POWER COACHING PROGRAMME?

- ✓ Grow Kids Minds™!
- ✓ Improve concentration and focus
- ✓ Develop important life skills – fair play and decision making
- ✓ Develop Tactical & Strategic thinking
- ✓ Prepare for Chess Tournaments against other schools
- ✓ Develop a love of chess, of learning and of thinking
- ✓ Play Chess Online safely and for free

Each session starts with a formal lesson; all players will learn a new strategy, idea or skill each week. Then they put those skills into practice with activities and games. All games are monitored and supervised by the coach who provides individual feedback along the way.

Throughout the programme, we reward kids that do well and encourage and support kids that are struggling. At completion of the programme we recognise each child with a certificate based on their performance.

CLASS DETAILS

Sessions will be held weekly on **Mondays** at lunch-times from **1:00pm to 2:00pm** in the **Hall** starting **Monday 12 February 2024**. The last session will be held on Monday 8 April 2024. Note: There will be no session on Mon 1 April. This is an 8-week program. The fee is \$170 for the term per student.
