

Newsletter / Kawerongo 8 * 04 June 2024

Each fortnight at our Monday goal setting hui we introduce our tamariki to a new Kiwaha (phrases to drop into conversation). You can have-a-go at home! This fortnight it's:

Kiwaha - Kia manawa tītī - Persevere and don't give up

Kia ora Bayswater whānau

Student-led conferences

Make sure you have booked a time and remember your child attends the conference with you!

Bayswater School's Matariki Festival is fast approaching.

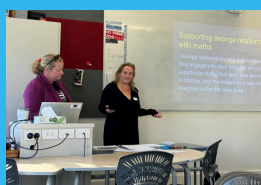

The success of this event relies on all our parents / caregivers / grandparents / uncles and aunts etc getting involved! We need volunteers to help set up, run activities on the day and finally to pack up. Please go to the Matariki Festival Volunteer Sheet and put your name down!

We need you!

Teacher Only Day - Kahui Ako Conference

Last week members of staff attended our local Kahui Ako conference, the venue was Takapuna Grammar School. Some of our amazing tamariki joined in the welcome as part of the Kahui Ako choir. It was also a privilege to have some of our teachers present a workshop. Thank you Claire, Claires and Norah for all your hard work and time prepping for the workshop.

Attendance

One of the things we are continuing to focus on this term is student attendance. Your child's teacher will share this year's attendance information with you at the student-led conferences.

If a student misses one day of school every two weeks, they miss more than a whole year of school by 16 years of age. As a parent or caregiver, you, alongside our school, play a key role in building strong habits of regular school attendance.

All students are legally required to attend school every day and it is a shared responsibility to make sure students attend and engage in learning from when they first start school.

You must let the school know if your child is going to be absent or intends to be absent for a portion of the school term for whatever reason, like a tangi or medical procedure. Family holidays or taking time off for extracurricular activities (not organised by school) are classified as unjustified absences. Whilst we understand that things crop up once in a while it should not be a regular occurrence.

We know that autumn has certainly brought its crisp mornings and winter is coming with all its chills, bugs and colds. Knowing if your child is well enough to go to school can be tricky at times. Health New Zealand | Te Whatu Ora have refreshed their guidance for schools and parents to use to help make that call. Check out the Ministry of Education [website](#) for more information. If you are still unsure, get in touch with us.

At our school we have strong processes and hygiene practices in place to make sure our school environment is as healthy as possible for our students and our staff.

If you're struggling at home with getting your child to school, talk to us! Our school is committed to supporting your child to attend school and building a culture that fosters excellent attendance by having:

- School staff who have strong relationships with students and whānau.
- A school culture that recognises your child and your family for who they are, where they come from and who they want to be.
- A school community that does everything to make sure students are at school, and they are participating, and progressing in their education.

Sports Results

Hockey

27/5/24 Rakāu, our Year 5/6 team, played the Norwest Tornadoes . The score was 4-1 to Bayswater. Player of the day was Hunter Secker. A great game tonight with everyone trying hard. Great defence and great attack. Well done team!

Basketball

21/5/24 On Tuesday the Bayswater Panthers played the Bayview Wolves. Both teams were strong competitors. In the last few minutes Bayview broke the 16 all tie winning 18-16. Player of the day was Abraham Parker.

22/5/24 On Wednesday the Bayswater Breakers played the Windy Ridge Storm. We played a great offensive game. Windy Ridge hustled hard at the end, breaking the tie winning 12-10. Our player of the day was Rio Saffer.

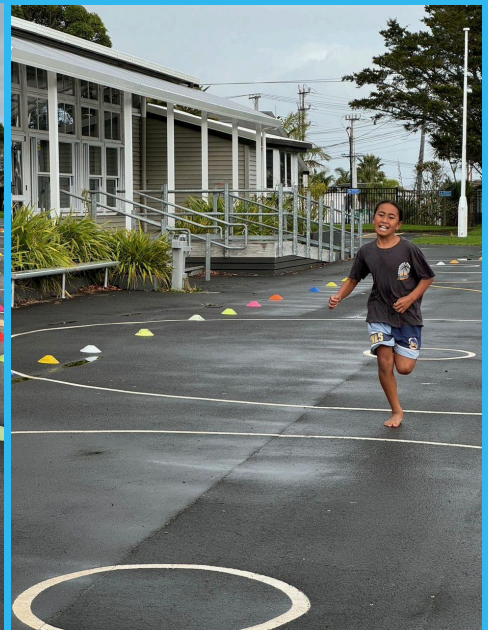

28/5/24 What a great game the Bayswater Panthers played on Tuesday. Their defence was as strong as was their attack. They pushed hard till the last minute, winning 15-10 against the Bayfield Celtics. Player of the day was Kingston Robinson.

29/5/24 On Wednesday the Bayswater Breakers played the Chelsea Primary Stars. What a real confidence booster, with some good passing and defence helping us take the win, 24-2. Player of the day was Wiremu Catterall.

Netball

22/5/24 Our Year 5/6 team, the Fantails played Belmont School. The score was 19 - 5 to Bayswater. Player of the day was Willa Shapiro. What a fantastic game tonight with great defence and amazing team work. Well done Fantails.
