

## Newsletter / Kawerongo 10 \* 2 July 2024

Each fortnight at our Monday goal setting hui we introduce our tamariki to a new Kiwaha (phrases to drop into conversation). You can have-a-go at home! This fortnight it's:

**Kiwaha - Hā ki roto hā ki waho kia tau - Breath in, breath out, be settled**

Kia ora Bayswater whānau

There are not enough words to describe how proud we all are of our Kapa Haka groups and their performances at our Matariki Festival! You are amazing! He mīharo tā tātou kapa haka!

One school principal shared that they thought this was, "the best event on the Peninsula." A visiting kaiako sent an email to say, "Wow! What an incredible Matariki Celebration and Community Event at Bayswater School last evening. Thank you."

A huge thanks must go to the members of our Whānau Group who work tirelessly to make this event such a great success. Your time and efforts are very much appreciated.

Thank you also to every parent / caregiver / family member who gave of their time to help over the weekend. It was pleasing once again to see past pupils and teachers volunteering as well as members of the community who just want to be there and help!

It really is a fabulous way to come together and to celebrate the Maori New Year - Mānawatia a Matariki!

The Kapa Group added to the celebrations through a visit to Peninsula Kids to share in their Matariki learning and celebrations.

Marianne Coldham  
Tumuaki Principal

### Dates to remember:

#### Friday 5 July

Last day of Term 2

#### Monday 22 July

Term 3 starts

9.00 Mihi whakatau

We have 25 International students joining us for 4 - 10 weeks. It would be great to see our whānau joining us to welcome them and their families. Please bring a plate to share.

#### 12-16 August Maths Week

#### 26 - 30 August Book Week

#### Teacher Only Day confirmed:

Friday 15 November

to our tamariki celebrating a birthday.

**Solah White 6yrs and Mackenzie Dryden 7yrs**

We hope you have fun celebrating with family and friends.

Happy birthday also to everyone celebrating a birthday during the holiday

The musical group Strike performed for us recently, with a powerful and theatrical percussion performance. This experience will give inspiration to our tamariki as we prepare for our show next term.

As you can see a “couple of extras” were roped in!

As part of this term’s science investigation parent Lee Shapira visited Whānau Kokoru recently to share his knowledge. He is an ecologist who tracks the flora and fauna around wind farms.

*If you have knowledge and/or skills to share we’d love to hear from you!*

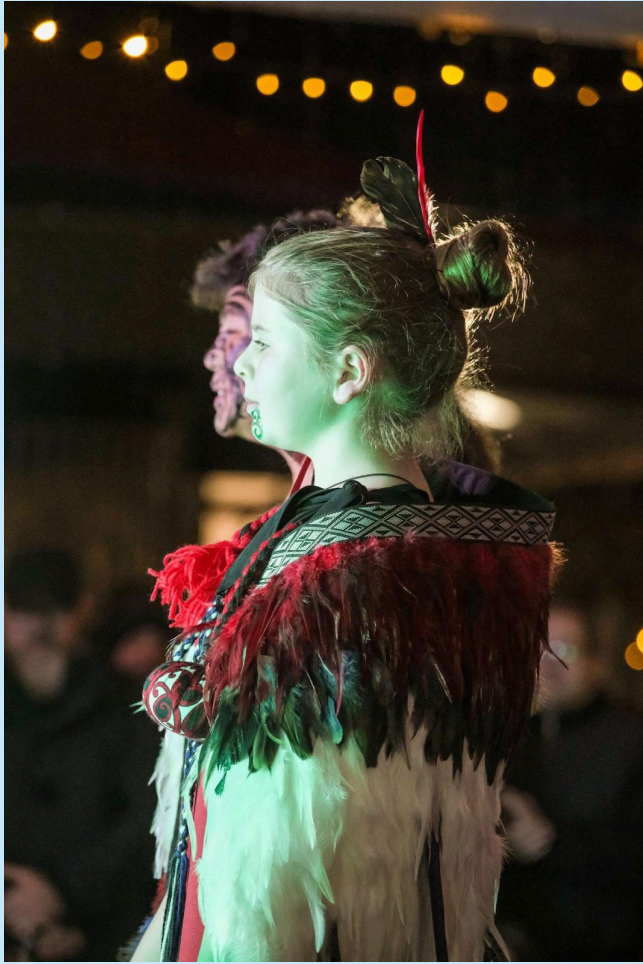

# Matariki Festival

## Sports Results

### Hockey

24/06/24 Our Year 5/6 team Rakāu played Albany Primary School. The score was 4-1 to them. The player of the day was Clem Whittington. Good game tonight everyone. You all tried so hard. Well done team.

01/07/24 Our Year 5/6 team Rakāu played Browns Bay School. The score was 3-1 to them. The player of the day was Mira. Good game tonight everyone you all played well. Well done team.

### Netball

19/06/24 Our Year 5/6 team the Fantails played St.John's School. The score was 9 to 4 to them. Player of the day was Mae Wilson. It was a tough game and everyone tried very hard. A great team effort!

**mysquashcoach**  
MANU YAM

**Congratulations** to our students who received a certificate at assembly on **Friday 21 June** for:

- |         |             |  |
|---------|-------------|--|
| Room 2  | Roma        | the Bayswater value of Kairangitira. The support and effort you put into looking after our school grounds this week showed your ability to work independently and to a high standard. Tumeke, e hoa!   |
|         | Joe         | the Bayswater value of Kairangitira. You have happily worked independently and to a high standard when learning about mātauranga Māori. Ka rawe, e hoa!  |
| Room 4  | Elena       | the Bayswater value of Kairangitira. You give it your all and don't give up in all you do. From the netball court to the classroom and beyond, you take on challenges and conquer them. Kia manawa tītī. Ka pai Elena  |
|         | Zach        | the Bayswater value of Kairangitira in Learning Adventures. You have creative ideas and work hard to make them a reality, like your nearly life-size model of a wind turbine. It's wonderful to watch you engrossed in your learning. Tumeke   |
| Room 6  | Michael     | showing the Bayswater value of Personal Excellence/Kairangitira in learning. You have been happy to be challenged in your learning in maths and trying out new strategies. Tumeke!   |
|         | Caleb       | showing the Bayswater value of Personal Excellence/Kairangitira in maths. You have challenged yourself to use your multiplication knowledge and strategies to multiply decimal numbers. Tumeke!  |
| Room 7  | Solah       | the Bayswater value of Personal Excellence - Kairangitira. You are such an expert scientist! You patiently figured out how to put your electrical circuit together and then supported other children to make theirs. Ka rawe!  |
|         | Te Ahorāngi | the Bayswater value of Manaakitanga - Respect. You show respect towards everyone and are always well-mannered. You are a great role-model in Room 7, we love having you at Bayswater! He whetū koe!  |
| Room 9A | Soloman     | the Bayswater value of Kairangitira Personal Excellence. During kapa haka you are leading by example by being in the right place at the right time and being a proud kaiwaiata. You have contributed to class discussions, shared your knowledge of 4 types of energy and supported others to put their electrical circuits together. He whetu koe, you're a star! |
|         | Lachlan     | the Bayswater value of Kairangitira Personal Excellence. You have focused your knowledge of electrical circuits to figure out how to make a light bulb, buzzer and motor come to life. You then patiently supported others to make their circuits while giving scientific reasons for your actions and answering their questions. You are amazing - ka rawe        |
| Room 9B | Ataa        | demonstrating the Bayswater value of Hauora. Whenever a classmate is upset, you do your best to cheer them up. You make sure everyone around you feels included and appreciated. You are a wonderful role model of kindness. Ka pai Ataa!  |
|         | River       | demonstrating the Bayswater value of Kairangitira. You have been sharing your knowledge of electricity with all your classmates. During Learning Adventures, you took the time to explain how a circuit works and alternatives for making light bulbs glow. Tino pai River!  |
